Notes:

1. The 30 June 2023 Cents Per Unit (CPU) distribution estimates calculations above are based on the following:

- the income derived by the relevant Fund between 1 July 2022 to 30 June 2023 which has NOT yet been distributed (including realised capital gain and CGT concession). This includes non-taxable items (such as CGT concession and tax deferred amounts) and excludes non-cash items (such as franking credits and foreign income tax offsets): and

– the units on issue of the relevant Fund at 30 June 2023.

2. CPU, if a distribution was payable at 30 June 2023

3. Includes CGT concession

4. Net cash distribution available as at 30 June 2023 as a percentage of net asset value as at 30 June 2023 (excluding non-cash items such as franking credits and foreign income tax offsets)
