A number of funds are subject to a variety of fee waivers and/or expense reductions. Please check the fund’s current prospectus for full details.

1 Class 529A, Class 529B, and Class 529C shares are available for these funds.
2 Because of rounding in the calculation of offering price, actual sales charges paid may be more or less than those calculated using these percentages.
3 For Class A share net asset value (NAV) purchases: Shares redeemed within 18 months may be subject to a 1% contingent deferred sales charge (CDSC).
4 This fund has fixed income pricing but is categorized as Multi-Asset.

Keep in mind that all investments, including mutual funds, carry a certain amount of risk, including the possible loss of the principal amount invested.

For pricing information about our Class R (available only to certain retirement plans and asset-based fee programs) and Class I (available through various wrap platforms) share structures, please visit the products and performance page at mfs.com or any applicable prospectus.

See the reverse side for other important information.

**NOTE:** Class B/529B shares are not available on all funds. Please see the appropriate fund prospectus for availability of Class B/529B shares.  

**NOTE:** Class C/529C shares are not available on all funds. Please see the appropriate fund prospectus for availability of Class C/529C shares.  

Effective June 1, 2019, the MFS funds will close their Class B, B1 and 529B shares ("Class B shares") to new purchases from new and existing investors.  

**NOTE:** Systematic withdrawal plans of up to 10% of fund/account value annually from Class A share net asset value (NAV) purchases also qualify for withdrawals free of sales charge.

---

You should consider your financial needs, goals, and risk tolerance before making any investment decisions. For further details, please refer to mfs.com and the appropriate fund’s prospectus.

Class 529A, Class 529B, and Class 529C shares are available only in conjunction with qualified tuition programs, such as the MFS® 529 Savings Plan.

*Purchases of additional shares will not be allowed if the value of all accounts (determined using MFS’ new LOI/ROA policy) is $99,999 for Class B/529B shares or $999,999 for stock, balanced, and asset allocation funds and $499,999 for Fixed Income, Tax-Advantaged Fixed Income, MFS Lifetime Income, and Limited Maturity funds Class C/529C shares. The maximum account value includes all assets in Classes A, B, and C shares.

Certain types of group retirement plans sponsored or serviced by MFS or an affiliate may be exempt from these maximums.

Before investing in the MFS® 529 Savings Plan, consider the investment objectives, risks, charges, and expenses. For a prospectus or summary prospectus containing this and other information, as well as a Participant Agreement and Disclosure Statement including an Expense Supplement overview, view online at mfs.com. Read it carefully.

Depending on your state of residence and the state of residence of your beneficiary, an investment in the MFS 529 Savings Plan may not afford you or your beneficiary state tax benefits.

Note: The funds and other information in this piece are subject to change.

Before investing, consider the fund’s investment objectives, risks, charges, and expenses. For a prospectus or summary prospectus containing this and other information, contact your investment professional or view online at mfs.com. Please read it carefully.
