## HOW TO OPEN YOUR ACCOUNT

1. To establish an MFS 529 Savings Plan account, complete the appropriate sections of the enclosed MFS 529 Savings Plan Application.
2. Make your check(s) payable to MFS Service Center, Inc. The minimum initial contribution is \$250 per fund/account.
3. If you wish to prepay the first year's annual maintenance fee, include an additional \$25 with your initial investment (See Section 11 of application for maintenance fee exclusions).
4. If you are rolling over assets from (1) another 529 plan, (2) a Coverdell Education Savings Account (an Education IRA), or (3) the sale of a US Savings Bond, you must provide the Cost Basis (amounts contributed) and Earnings in Section 6. When submitting this application, you must include a statement that shows the contribution basis and earnings portion of the rollover. If a transaction statement is not provided, the rollover contribution will be classified as 100% earnings.
5. The MFS 529 Savings Plan may not accept contributions that cause the aggregate balance in plans sponsored by the Oregon 529 College Savings Network to exceed \$310,000 per beneficiary. If the aggregate value plus the amount of your contribution is greater than this limit, your contribution will be returned to you.
6. Be sure to specify your investment option and share class.
7. After your initial investment, generally you can change investment selections twice per calendar year. See the MFS 529 Savings Plan Participant Agreement and Disclosure Statement for an explanation.
8. Successor Account Owner and Contingent Beneficiary designations are not available for Uniform Gifts/Transfers to Minors Act (UGMA/UTMA) accounts.
9. Additional MFS® forms are available to change the Designated Beneficiary, add account privileges and distribute money from the account. They can be downloaded at [mfs.com](http://mfs.com).
